

How to Place an Order

For decades, Caresfield has provided healthcare identification and specimen collection products designed to improve the safety of numerous healthcare environments. Thousands of clinics, hospitals, and labs around North America have come to rely on the quality of our products, tenacious customer service, and quick delivery.

We strive to make your ordering experience as simple as possible, so we offer five easy options to place an order:

Email: Send your order to sales@caresfield.com.

Phone: Call us at **952-890-7100** to speak with a customer service representative.

Online: Visit caresfield.com, select Login at the top of the page, and complete the form to *Create an Account*. To expedite account approval please have your facility's account number and billing zip code handy. But don't worry - if you don't know those details, our customer service team will connect your account for you.

EDI: Submit your order via **GHX** (Global Healthcare Exchange).

Fax: Fax your order to **952-520-3787**.

Orders placed for stocked items will ship out the same day if placed by 2:00 PM CST or, if placed after 2:00 PM CST, will ship the following business day.
